31. A simple **gel face cleanser**, because it's gentle, clean, eye-safe, and soap-free. It's infused with rosewater and mint, that leaves your skin feeling refreshed and nourished.

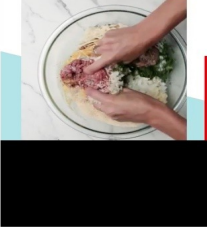

Promising review: "This is a simple cleanser, but it does everything I need a simple cleanser to do. **It cleanses without stripping the skin, it doesn't leave any residue, and it is eye-safe.** It is slightly peppermint-y, but it doesn't sting my skin or eyes, which is something I was definitely worried about at the beginning. Because it is so gentle, I typically use this as a second cleanse or mv cleanser in the morning. Overall, it is such a great
